BUNKER-ENVIRONMENTAL SURCHARGE ANNOUNCEMENT

Dear Clients and Traders,

Due to the continuing significant increase in fuel prices, particularly over the past few days, we are unfortunately forced to adjust our **BES (Bunker-Environmental Surcharge)** effective **18 September 2026**.

The new BES rates are as follows:

- on Świnoujście-Ystad & Świnoujście-Trelleborg link – **12,31 EUR** per each commenced linear meter of the vehicle,
- on Gdańsk-Karlshamn link – **15,54 EUR** per each commenced linear meter of the vehicle,
- on Gdańsk-Nynäshamn link – **24,61 EUR** per each commenced linear meter of the vehicle.

Given the dynamic situation in the fuel market, the fuel surcharge will be reviewed on an ongoing basis and may be adjusted in the event of significant fluctuations in fuel prices. Any potential updates will be communicated with appropriate advance notice.
